Preface

1 About “Debt Management Report” ................................................................. 2
2 What is Debt Management Policy? ................................................................. 3
   (1) Overview ........................................................................................................ 3
   (2) Framework of “Government Funding Activities” ......................................... 4
   (3) Debts with Public Characteristics ............................................................... 5

I FY2017 Debt Management Policies

1 Trends of JGB Market in FY2016 ................................................................. 8
   (1) Review ........................................................................................................ 8
   (2) Yen Bond Market Environment Changes .................................................. 10
   (3) Overseas Market Topics ........................................................................... 12

Column1 Quantitative and Qualitative Monetary Easing with Yield Curve Control ... 15

2 JGB Issuance Plan for FY2017 ................................................................. 17
   (1) Basic Objectives for JGB Management Policy ........................................... 17
   (2) Scheduled Issuance Amount of JGBs ......................................................... 17
   (3) JGB Issuance Plan Based on Market Trends and Needs ......................... 21

Column2 Changes to JGB Issuance Plan for FY2016 in Line with Economic Measures ................................................................. 24

3 Diversification of JGB Investor Base ............................................................. 26
   (1) JGB Holdings by Retail Investors ............................................................. 27
   (2) JGB Holdings by Foreign Investors .......................................................... 30
II Framework of Debt Management

◆ Chapter 1 Government Bonds (JGBs)

■ 1 Primary Market for Government Bonds .......................................................... 38
   (1) JGBs by Legal Grounds of Issuance ......................................................... 38
   (2) Types of JGBs ......................................................................................... 42
   (3) Methods of Issuance ............................................................................ 44
   (4) JGB Market Special Participants Scheme ........................................... 49
   (5) Government Bond Administration .......................................................... 51

Column3 Debt Management Policies in Foreign Countries .......................... 53

Column4 Auction methods (Introduction of OECD Discussions) ............... 61

■ 2 Secondary Market for Government Bonds ..................................................... 63
   (1) OTC Transactions and Transactions on the Stock Exchange .................. 63
   (2) Improvements to the JGB Transaction Settlement System ..................... 64
   (3) WI Transaction ..................................................................................... 68
   (4) Bond Gensaki and Bond-Lending Transaction ...................................... 69
   (5) STRIPS .................................................................................................. 72
   (6) JGB Futures Trading ............................................................................ 73

Column5 Progress in Shortening of Settlement Cycles .............................. 75

■ 3 Debt Management Systems ........................................................................ 77
   (1) Redemption System ............................................................................ 77
   (2) Interest Rate Swap Transaction ................................................................. 86
   (3) Auctions for Enhanced-Liquidity ............................................................... 86
   (4) Buy-back Program ............................................................................... 87
   (5) Dialogue with Market Participants ........................................................ 91

■ 4 Taxation of Government Bonds ................................................................. 93
   (1) Individuals (residents) ......................................................................... 93
   (2) Domestic Corporations ....................................................................... 94
   (3) Nonresident Individuals and Foreign Corporations ........................... 95
   (4) Tax Exemption Scheme for Nonresident Individuals and Foreign Corporations 95

Column6 Repo Tax System ........................................................................... 98

◆ Chapter 2 Financing Bills, Borrowings, Government-Guaranteed Debt and Subsidy Bonds

■ 1 Financing Bills ............................................................................................ 100
   (1) Legal Grounds of Financing Bills ......................................................... 100
   (2) Status of Financing Bills in the Budget .................................................. 100
   (3) Auction Methods, etc. ......................................................................... 101
   (4) Outline of Cash Management of the National Treasury ....................... 101

■ 2 Borrowings ................................................................................................. 102
   (1) Legal Grounds of Borrowings ............................................................... 102
   (2) Status of Borrowings in the Budget ....................................................... 102
   (3) Source of Borrowings ......................................................................... 102
   (4) Borrowings from the Private Sector ..................................................... 103
(5) Borrowing through Public Auction on Private-sector Borrowings .............. 104

■ 3 Government-Guaranteed Debt .............................................................. 105
   (1) Legal Ground of Government Guarantee ........................................... 105
   (2) Features of Government-Guaranteed Debt ....................................... 105
   (3) Treatment in the Budget and Examination Process ......................... 105

■ 4 Subsidy Bonds ..................................................................................... 108
   (1) Subsidy Bonds (narrowly defined) .................................................... 108
   (2) Subscription/Contribution Bonds ...................................................... 108
   (3) Others ............................................................................................ 108

◆ Chapter 3 Other Public Debt

■ 1 Local Government Bonds (LGBs) ......................................................... 110
   (1) Basic Scheme of LGBs ................................................................. 110
   (2) Loans to Local Government by Public Funds .................................. 111
   (3) Local Funds Offered by Private Sectors, etc. ................................. 112

■ 2 Debt of Incorporated Administrative Agencies, etc. ............................. 114
   (1) Debt of Incorporated Administrative Agencies, etc. ......................... 114
   (2) Financial Conditions of Incorporated Administrative Agencies, etc. .... 115

III Appendices

◆ Chapter 1 Government Bonds (JGBs)

■ 1 Primary Market for Government Bonds .............................................. 118
   (1) Issuance Amount of Government Bonds ......................................... 118
   (2) Changes in JGB Market Issuance .................................................... 119
   (3) Auction Results for JGBs and T-Bills in FY2016 .............................. 120
   (4) Issuance Amount of JGBs and T-Bills Offered to the Market at Each Auction 123
   (5) Closing Bids Share for JGBs by Investor Type in FY2016 ............... 124
   (6) Issuance of JGBs for Retail Investors ............................................ 125
   (7) Issuance by the Bank of Japan Switch .......................................... 126
   (8) Front-Loading Issuance of Refunding Bonds ................................. 126
   (9) List of Commissions for Issuing JGBs, etc. ................................... 127

■ 2 Secondary Market for Government Bonds ........................................ 128
   (1) 10-Year JGB Yield ................................................................. 128
   (2) 10-Year Government Bonds Yields .............................................. 128
   (3) Yields of JGBs in FY2016 .......................................................... 129
   (4) JGB Yield Curves ........................................................................ 129
   (5) Various Rates in the Short-term Financial Market in FY2016 .......... 130
   (6) Break-Even-Inflation (BEI) Rate ................................................. 130
   (7) Market Price of 15-year Floating-rate Bonds ............................... 131
   (8) JGB Share in Total Trading Volume of Yen Bonds ....................... 131
   (9) JGB Share in Total Issuance Amount of Yen Bonds ...................... 132
   (10) Portfolio Investment Assets in FY2016 ...................................... 133
(11) Portfolio Investment Liabilities in FY2016 ......................................................... 133
(12) Trends in JGB Transactions (by investor type) in FY2016 ............................... 134
(13) Trading Volume of Yen Bonds ........................................................................ 135
(14) Trading Volume of JGB Futures ...................................................................... 135
(15) Trading Volume of Bond Gensaki .................................................................. 135
(16) Trading Volume of Bond-Lending ................................................................... 136
(17) Open Interest Amounts of Bond-Lending ....................................................... 136
(18) Trading Volume of JGB Option by OTC ......................................................... 136
(19) Trading Volume of JGB Futures Options ......................................................... 137
(20) Outstanding Amount of STRIPS-Principal-Only Book-entry Transfer JGBs .... 137
(21) Results of Outright Purchases of JGBs by the Bank of Japan in FY2016 ......... 138
(22) Results of Outright Purchases of T-Bills by the Bank of Japan in FY2016 ...... 143
(23) Japan's Sovereign Ratings by Major Credit Rating Agencies .................... 144
(24) List of Sovereign Ratings by Major Credit Rating Agencies ....................... 144

3 Debt Management Systems ................................................................................. 145
   (1) Revenues and Expenditures for the Special Account for the GDCF
       (FY2017 Initial Budget) ................................................................................. 145
   (2) Payment status of debt redemption expenses and interest, discount expenses
       and so on of the each account (FY2017 Initial Budget, FY2015 Settlement of
       Accounts) .................................................................................................. 146
   (3) Transfer of Redemption Sources, Redemption Amount, Outstanding
       Amount and Refunding Amount of the GDCF (FY2017 Initial Budget) ...... 147
   (4) Investment Balance of the GDCF ................................................................ 147
   (5) Budgetary Surplus of the Special Account of the GDCF ......................... 148
   (6) Results of Auctions for Enhanced-Liquidity Bid Achievements in FY2016 .. 148
   (7) Buy-back Results in FY2016 .................................................................... 148
   (8) Buy-back Results ..................................................................................... 148
   (9) Various councils ....................................................................................... 149
   (10) History of Postwar Debt Management Policy ........................................ 153
   (11) Government Bond-related Legal Systems ................................................. 155

Chapter 2 Financing Bills, Borrowings and Government-Guaranteed Debt

1 Financing Bills (FBs) .......................................................................................... 158
   (1) Outstanding Amount of FBs-Breakdown by the Types (as of the end of
       FY2016) .................................................................................................... 158
   (2) Outstanding Amount of FBs ....................................................................... 158
   (3) Issuance Amount of FBs in FY2016-Breakdown by Funding Resources ...... 159
   (4) Receipts and Payments on the National Treasury for FY2016 .................... 159

2 Borrowings ........................................................................................................ 160
   (1) Outstanding Amount of Borrowings ......................................................... 160
   (2) Outstanding Amount of Borrowings -Breakdown by the Types of Account
       (as of the end of FY2016) ........................................................................ 160
   (3) Outstanding Amount of Borrowings of the Special Account for Local Allocation Tax 160
   (4) Amount of Borrowings of the Special Account for Local Allocation Tax Offered to the Market at Each Auction 161
   (5) Auction Results of the Borrowings of the Special Account for Local Allocation Tax in FY2016 162
   (6) Auction Results of the Borrowings of the Special Account for the National Forest Debt Management in FY2016 163
   (7) Auction Results of the Borrowings of the Special Account for Energy Policy in FY2016 163

3 Government-Guaranteed Debt ......................................................................... 164
   (1) Changes in the Outstanding Amount of Government-Guaranteed Debt .... 164
Changes in the Issuance Amount of Government-Guaranteed Domestic Bonds
Offered to the Market .......................................................... 164

Breakdown of the Government-Guaranteed Debt by Agencies ...................... 165

Issuance Calendar of Government-Guaranteed Domestic Bonds by Agencies in FY2016 ............................... 166

Outstanding Amount of Government-Guaranteed Foreign Bonds-Breakdown by Denomination and by Agencies (as of the end of FY2016) .......................................................... 168

Yields of 10-year Government-Guaranteed Bonds in FY2016 .......................... 168

Chapter 3 Other Public Debt

Local Government Bonds (LGBs) .............................................. 169

Overview of LGB Program in FY2017 ........................................ 169

LGB Program-Breakdown by Funding Resources ................................ 169

Outstanding Amount of LGB Program-Breakdown by Funding Resources ...... 170

Issuance Conditions of Public Offering LGBs in FY2016 .............................. 171

Issuance Amount of Public Offering LGBs ...................................... 171

Debt of Incorporated Administrative Agencies, etc. .................................... 172

FY2017 FILP Plan ................................................................. 172

Planned and Actual Issuance Amount of FILP Agency Bonds ...................... 173

Yields of 10-year FILP Agency Bonds in FY2016 ................................ 174

Supplement

Fiscal Conditions and Debt Outstandings

General Account Tax Revenues, Total Expenditures and Government Bond Issues .............................. 175

Government Bond Issues and Bond Dependency Ratio .................................. 175

Changes in Ratio of Primary Balance to GDP ............................................. 176

Projections in Primary Balance (Central and Local government basis ; percentage of GDP) ...... 176

Government Debt-related Expenditures in the General Account-Breakdown by Categories (FY2017) .................................................................................. 177

Historical Changes in Government Debt-related Expenditures .............................. 177

Projection of the FY2017 Budget Impact on Following Years' Expenditure and Revenue . 178

Cash-flow Projections of the GDCF .................................................. 179

Changes in the Outstanding Amount of JGBs, Financing Bills, Borrowings and Government-Guaranteed Debt ................................................................................. 180

Long-term Debt Outstanding of Central and Local Governments .......................... 181

Breakdown of the Outstanding Amount of General Bonds by Remaining Years to Maturity .................. 182

Term-to-maturity Structure of General Bonds (FY2017 Initial Budget Basis)............... 182

Breakdown of the Outstanding Amount of General Bonds by Maturity Types and Their Average Interest Rate at the end of FY2016 .......................................................... 183

Outstanding Interest Rate Weighted Average, Interest Payment of General Bonds and Average Years to Maturity .............................................................. 183

Outstanding Amount of JGB and T-Bill -Breakdown by Holders- ...................... 184

Balance Sheet of Japanese Government (General Account and Special Accounts) (as of the end of FY2015) ................................................................................. 185

International Comparison of General Government Financial Balance to GDP ........ 187

International Comparison of General Government Gross Debt to GDP .............. 188

International Comparison of General Government Net Debt to GDP ................. 188
