Commemorative Coin for the 150th Anniversary of Railways in Japan Detailed Design of 1,000-Yen Silver Coin

Obverse (1.5x view/Actual size view) Nishiki-e of the Takanawa Railway

- The design is based on a part of the Nishiki-e (color woodblock print) of the Takanawa Railway (owned by the Minato City Local History Museum, Tokyo), created by Tsukioka Yoshitoshi with the help of Utagawa Toshinobu.

Reverse (1.5x view/Actual size view) Old Shimbashi Station

- The design is based on the restored Old Shimbashi Station which retains the appearance of the station building at the time of the railway's opening.
